

New Year's Day

Each year, around the globe, New Year's Day is celebrated with great zeal and merrymaking. A new year marks a new beginning.

Just as important as it is to celebrate and rejoice any other day! People like celebrating New Year's because it gives them a sense of positivity and enthusiasm.

Apart from the fanfare and parties, most people celebrate the beginning of a new year by calling up family and friends, mending quarrels, setting goals for self-betterment and donating to charity. It is a significant holiday as many consider it the start of not just a new year but also an opportunity to start on a clean slate. The New Year brings new hopes, new possibilities and new dreams - and is therefore a happy occasion that is brought in with parties, get-togethers and joyous celebrations. People set goals, known as new year resolutions, in order to achieve targets, they have set for themselves.
